Mike Berryman

Mike Klett, FHFMA, CPA

Doug Banks, FHFMA, CPA, CIA, MBA

Sue Dimic

Michael Felczak, Jr.

Amy Vandecar

Tina Stone, MSF, MPH

The Eastern Michigan Chapter of HFMA has long been an essential resource for development of healthcare finance professionals in Michigan. During the past program year, the Chapter was very successful in providing excellent educational and networking opportunities to its members, including:

- Offering almost 10,000 hours of educational programming to our chapter members and guests with topics including Medicare and Blue Cross updates, Healthcare Reform Implications, Electronic Medical Record, CFO Current Issues, Leadership Margin & Balance and Cybersecurity just to name a few.
- Publication of the Chapter's electronic News Blasts, which contains technical articles and inside information on Chapter activities. These News Blasts will be issued on a more frequent basis than our previous newsletter.
- Specialized committees such as Insurance & Reimbursement, Revenue Cycle, Financial Accounting & Reporting and Business Intelligence. These committees give members a platform to discuss current issues with other professionals in their specific area of interest.

In order to sustain and enhance the quality and depth of the Chapter's seminars and educational tools, we rely on support from organizations like yours. Although we know all healthcare organizations face tight budgets, we need your commitment to HFMA if we are to continue to provide high-quality affordable education in local venues.

The Chapter offers four sponsorship packages, with varying levels of commitment and benefits to the sponsor. With the Platinum level sponsorship, \$1,500 of your sponsorship supports the Fall Conference, and you receive recognition during the event and your choice of a vendor display table or complimentary registrations to the conference. The attached sponsorship summary describes the benefits of all the chapter sponsorship opportunities for contributing to the development of healthcare financial leaders in Michigan. The form also includes an opportunity for a vendor booth at our Fall Conference for \$850.

The Chapter is also offering our vendors and partners an opportunity to sponsor new member scholarships, either as part of their overall support of the chapter or as a new sponsorship. These scholarships are targeted towards early careerists, those new to the healthcare industry or other individuals committed to becoming active members working towards the continued success of the Chapter.

If possible, we are asking for your commitment by August 1, 2019 to enable the Chapter to plan its 2019-20 programs. Please let Maureen Smith know if you can help support us this year by emailing her the completed attached form. We greatly value your organization and we look forward to working with you this year.

Sincerely,

Donna Kopinski, FHFMA, CPA
