

Member Program Committee Summary
Co-Chairs Josh Richards and
Diane Justewicz

2017-2018 Summary

- 10 Conference Calls/Meetings for Planning Purposes
- The Member Meeting Committee was responsible for executing 6 meetings and numerous webinars in 2017-18.

2018-2019 Member Meeting Planning

- Prepare dashboard for the year
- Goal: Have all the meeting topics/dates/speakers finalized by September 1, 2018
- Goal: Break even financially for the programs offered
- Continue offering free webinars in conjunction with a few Chapters in Region 6

Discussion/Questions

- Suggestions for more diversity in locations – East side, Detroit
- Top topics of member interest based on Chapter Survey
 - Financial data analytics and business intelligence
 - Negotiating contracts with value based payment mechanisms
 - Changes in Medicare reimbursement policies
 - Local payers and employers response to healthcare reform
 - Managing and measuring the total cost of care
- Other speakers/other topics?
- Expecting to have Technology and Physician Practice Committees to help with programs in their respective areas

2018-2019
